BIOGRAPHY

Graduate student specializing in statistical consulting and impact-oriented collaboration. Experienced in defining ambiguous business problems and developing data-driven solutions.

EXPERIENCE

Principal Investigator, Impact Consulting Framework

Cal Poly, San Luis Obispo; Advisors: Dr. Eric Vance & Heather Smith
2025 – Present

- Designing and piloting a **multi-site research artifact** to help statisticians maximize and communicate their impact.
- **Coordinating a full research cycle:** literature review, study design, IRB approval, data collection, mixed-methods analysis.
- Preparing a master’s thesis, manuscript for publication, and a **contributed paper talk** for the 2026 Joint Statistical Meetings.

Research Assistant, Authority Constructs in Data Science

Cal Poly, San Luis Obispo; Advisor: Dr. Allison Theobold
2023 – 2025

- Collected and analyzed qualitative data on **social positioning and authority constructs** in undergraduate data science courses.
- Designed and **conducted a pilot experiment** to assess the impact of complex instruction on **student self-perceptions** related to math.
- **Proceedings paper** published for the 2026 International Conference on Teaching Statistics.

Research Assistant, Exploring the *Literary Digest* Polls

Cal Poly, San Luis Obispo; Advisor: Dr. Beth Chance
2023 – 2024

- **Co-authored** “Taking the Next Step in Exploring the *Literary Digest* 1936 Poll” for the *Journal of Statistics and Data Science Education*.
- Developed and taught class activities for intro statistics courses.

SERVICE

Director & Committee Chair, ASI Board of Directors

Cal Poly, San Luis Obispo
2023 – 2026

- Chaired two large-scale **change management** task forces, including one responsible for an eight-figure **merger**.
- Inaugural recipient of the **Use Your Voice Scholarship** (2023) and **Champion Award** (2026).

EDUCATION

Master of Science in Statistics

2025 – Fall 2026
California Polytechnic State University, San Luis Obispo

Bachelor of Science in Statistics

2022 – 2025
California Polytechnic State University, San Luis Obispo

ACTIVITIES

Data Viz For Nonprofits

Workshop: Taught nonprofits how to collect data and connect a Google dashboard.

LIFT: AI-Powered Nonprofit

Operations Prototype. An operations tool that helps a fictitious nonprofit identify efficient service reporting workflows.

ASA DataFest: 48-hour, data analysis marathon. Won **Best Visualization** (2024) and **Best Use of External Data** (2025).

Interdisciplinary consulting

projects with topics in health, education, agriculture, etc.

TECHNICAL SKILLS

Prompt Iteration

GitHub

Coding Agents

Python

R & Shiny

AI Fluency

RELEVANT COURSES

Hierarchical Models; Survey & Sampling Methods; Advanced Experimental Design; Advanced R; Generalized Linear Models; Ethics.
