BIOGRAPHY

Conscientious and **persistent** researcher passionate about using data to inform decision-making. Critical thinker committed to **ethics** and **societal impact**.

EXPERIENCE

Principal Investigator, Impact Consulting Framework

Cal Poly, San Luis Obispo; Advisors: Dr. Eric Vance & Heather Smith
2025 – Present

- Designing and piloting a **multi-site research instrument** to evaluate real-world outcomes of interdisciplinary projects.
- **Coordinating a full research cycle:** literature review, study design, IRB approval, data collection, mixed-methods analysis.
- Preparing a master's thesis, manuscript for publication, and a **contributed paper talk** for the 2026 Joint Statistical Meetings.

Research Assistant, Authority Constructs in Data Science

Cal Poly, San Luis Obispo; Advisor: Dr. Allison Theobald
2023 – 2025

- Collected and analyzed qualitative data on **social positioning and authority constructs** in undergraduate data science courses.
- Designed and **conducted a pilot experiment** to assess the impact of complex instruction on **student self-perceptions** related to math.
- **Proceedings paper** published for the 2026 International Conference on Teaching Statistics.

Research Assistant, Exploring the *Literary Digest* Polls

Cal Poly, San Luis Obispo; Advisor: Dr. Beth Chance
2023 – 2024

- **Co-authored** "Taking the Next Step in Exploring the *Literary Digest* 1936 Poll" for the *Journal of Statistics and Data Science Education*.
- Developed in-class activities for introductory statistics courses.

SERVICE

Director & Committee Chair, Cal Poly Student Government

Cal Poly, San Luis Obispo
2023 – 2026

- Chaired two large-scale **change management** task forces, including one responsible for a statutory **merger**.
- Inaugural recipient of the **Use Your Voice scholarship** for outstanding service in student advocacy.

EDUCATION

Master of Science in Statistics
